

Harmonized Hook-Up Wire

H05V-K HAR/CE CABLE AWP PT #910018-00

Part Number	AWG	mm ²	Nominal Outer Diameter (inches)	Nominal Outer Diameter (mm)	Weight Lb/1000ft
910018- (Colour Code)	18	1.0	0.098	2.50	8

Recommended Applications:

This hook-up wire is <HAR> approved. This wire conforms to European standards. This product is ideal for use in switch gear cabinets, electronic equipment, medical equipment and many other applications for products being exported to Europe.

Minimum Bend Radius:

For installation only 4 x cable diameter

Temperature Range:

<HAR> -30C to + 80C

Nominal Voltage Rating:

H05V-K <HAR> 300/500V, H07V-K <HAR> 500/750V

Test Voltage:

H05V-K 2000V, H07V-K 2500V

Colour Code:

00 – Green / Yellow	01- Black	02 – Blue	03 – Brown	04 - Red
05 – White	06 - Grey	07 - Violet	08 – Pink	09 - Orange
10 – Yellow	11 – Green	14 – Dark Blue	16 – Light Blue	

Approvals:

CE, <HAR>, <VDE>

RoHS compliant

Conforms to CE low voltage directive

Basic Construction:

Fine wire to VDE 0295, class 5

Bare copper

Insulating Compound:

Specially formulated PVC
